

FLUXYS GUIDE: DETAILS PAGE LAYOUT

BIG TITLE – FULL WIDTH

Example:

Will you help us change the world?

Copy this code to get this element:

```
<h2 class="title-section-big">Replace text</h2>
```

PARAGRAPH - FULL WIDTH

Example:

Fluxys is a fully independent gas infrastructure group with 1,200 employees active in gas transmission & storage and liquefied natural gas terminalling. As a purpose-led company Fluxys together with all its stakeholders contributes to a better society by shaping a bright energy future. Building on the unique assets of gas infrastructure and its commercial and technical expertise, Fluxys is committed to accommodate hydrogen, biomethane or any other carbon-neutral energy carrier of the future.

Copy this code to get this element:

```
<p class="text-full-width">Replace text</p>
```

TITLE WITH BACKGROUND

Example:

Copy this code to get this element:

```

```

```
<h3 class="title-section-with-background">
  <span class="title-section-with-background-inner">
    
    Replace text
  </span>
</h3>
```

PARAGRAPH NEXT TO TITLE WITH BACKGROUND

Example:

As an International Business Developer, you contribute to the growth strategy of Fluxys Group by leading and coordinating M&A transactions from start to completion.

You also identify and pursue business development opportunities and create long term partnerships to reinforce our strategic position in Europe, Asia and Latin America.

Copy this code to get this element:

```
<p class="text-with-title">Replace text</p>
```

LIST AND NESTED LIST NEXT TO TITLE WITH BACKGROUND

Example:

**Job
responsibilities**

Market analysis

- Ensure constant full understanding of relevant market dynamics, potential, opportunities and identification of key stakeholders in Belgium, Europe and outside Europe.
 - test
 - test
 - test
- Identify key drivers and hurdles for further development of the relevant markets and ensure steps are undertaken to promote drivers and overcome hurdles.

Copy this code to get this element:

```
<ul class="list">
  <li>Replace text</li>
  <li>Replace text
    /* BEGIN OF NESTED LIST – place it in a <li> </li> element*/
    <ul class="nested-list">
      <li>Replace text</li>
      <li>Replace text</li>
      <li>Replace text</li>
    </ul>
    /* END OF NESTED LIST*/
  </li>
  <li>Replace text</li>
</ul>
```

BIG IMAGE BACKGROUND

Example:

Sounds enticing?

Apply now

Still have some questions?

Call Joëlle De Roy (+32 2 282 79 41) or send an email to joelle@fluxys.be for more info.

Copy this code to get this element:

```
<h3 class="title-section-big big-image-background">Replace text</h3>
```

LINK OR ELEMENT WHO LOOKS LIKE A LINK

Example:

Not the job you're looking for?

Be ready for the future and [get notified when we have a job offer that fits your interests.](#)

Join the Fluxys global community on social media: [in](#) [t](#)

Copy this code to get this element:

If it is a link with `<a>` :

```
<a href="Replace text(link)">Replace text</a>
```

If it is a link without `<a>`, add class link-feel to the element :

```
<span class="link-feel">Replace text</span>
```

EMPHASIS ELEMENT WITH GRADIENT

Example:

International Business Development Officer.

Copy this code to get this element:

```
<span class="text-emphasis-gradient">Replace text</span>
```

BLOCK CTA WITH ICONS

Example:

Healthy work life
balance

Competitive
salary

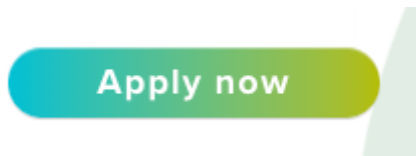

Learning and development
opportunities

Copy this code to get this element:

```
<p class="cta-with-icon healthy first">Healthy work life balance</p>  
<p class="cta-with-icon salary">Competitive salary</p>  
<p class="cta-with-icon opportunities">Learning and development opportunities</p>
```

APPLY BUTTON

Example:

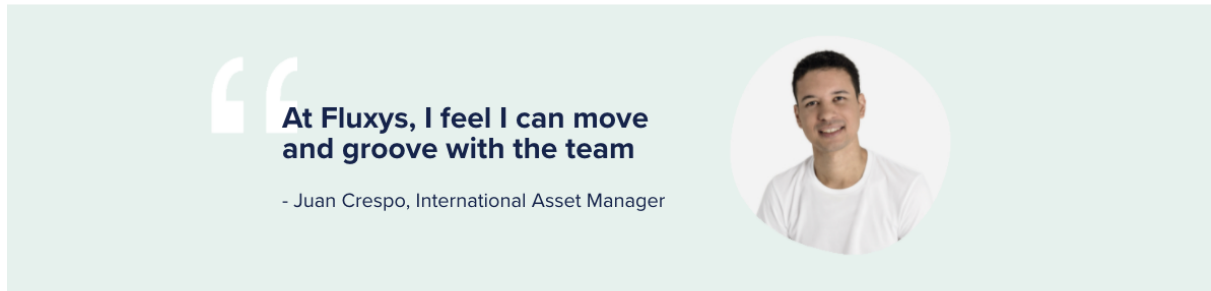

Copy this code on a page with the apply button to get this element:

```
<p class="btn-with-gradient apply-btn" style="font-family: Arial;;"><span  
class="hide">&nbsp;</span></p>
```

QUOTE

Example:

Copy this code on a page with the apply button to get this element:

```
<div class="quote">
  <div class="quote-inner-wrapper">
    <div class="quote-text-wrapper">
      <div class="quote-text">
        
        Replace text
      </div>
      <div class="quote-text-person">
        - Replace text
      </div>
    </div>
    <div class="quote-img-person">
      
    </div>
  </div>
</div>
```

PARTAGE : ENLEVER OU AJOUTER UN RÉSEAU/MOYEN DE PARTAGE

Le code qui génère les icônes des réseaux sociaux se trouve dans **Branding > Bottom**.

```
<a class="a2a_button_twitter"></a>
<a class="a2a_button_facebook"></a>
<a class="a2a_button_linkedin"></a>
<a class="a2a_button_email"></a>
<a class="a2a_button_whatsapp"></a>
<a class="a2a_button_sms"></a>
<a class="a2a_button_facebook_messenger"></a>
<a class="a2a_dd" href="https://www.addtoany.com/share">...</a>
```

Il suffit d'enlever une ligne pour voir l'icône de partage disparaître

Ci-dessous, une liste des réseaux ou moyens de partage disponibles :

```
<a class="a2a_button_facebook"></a>

<a class="a2a_button_twitter"></a>

<a class="a2a_button_email"></a>

<a class="a2a_button_linkedin"></a>

<a class="a2a_button_pinterest"></a>

<a class="a2a_button_reddit"></a>

<a class="a2a_button_whatsapp"></a>

<a class="a2a_button_google_gmail"></a>

<a class="a2a_button_telegram"></a>

<a class="a2a_button_tumblr"></a>

<a class="a2a_button_pocket"></a>

<a class="a2a_button_mix"></a>

<a class="a2a_button_amazon_wish_list"></a>

<a class="a2a_button_aol_mail"></a>

<a class="a2a_button_balatarin"></a>

<a class="a2a_button_bibsonomy"></a>

<a class="a2a_button_bitty_browser"></a>

<a class="a2a_button_blogger"></a>

<a class="a2a_button_blogmarks"></a>

<a class="a2a_button_bookmarks_fr"></a>

<a class="a2a_button_box_net"></a>

<a class="a2a_button_buffer"></a>

<a class="a2a_button_care2_news"></a>
```
